«We can confirm that venture leaders China has once more consolidated its status as a flagship program.»

Jean-Jacques de Dardel, Ambassador of Switzerland to the People's Republic of China

«venture leaders China is a high powered roadshow across China with opened contacts with high-level experts and investors, unbeatable in quality and density for these 10 days!"

Pascal Koenig, Co-Founder and CEO, Ava

venturelab presents venture leaders China, a unique 10-day business development program to explore the Chinese market potential for your startup. An exclusive opportunity to be part of a top entrepreneurial team, accelerate your business growth and showcase Switzerland as a leading country for innovation. The trip includes the participation at the World Economic Forum in Dalian.

«venture leaders China manages to give entrepreneurs in 10 days a full glimpse at one of the most amazing, quickly moving markets of the world. The contacts and entry points established by venture leaders really are necessary to get a hot start in China. Unless you've had previous experience in China, I recommend this program as essential for your expansion course to China.»

*Marc Gitzinger,
Co-Founder and CEO, BioVersys*

venture leaders China is offered free of charge to the participants thanks to the support of digitalswitzerland, Gebert R f Stiftung, Canton de Vaud, Canton of Zurich, EPF Lausanne and ETH Zurich in partnership with swissnex China.

10 carefully selected high-tech entrepreneurs will get a unique chance to give their technology and business a commercial boost, thanks to venture leaders. A high powered jury will provide valuable insights into how to commercialize scientific ideas on the global market. The 10 winners will travel to Beijing, Dalian (participation to the World Economic Forum), Shanghai, Shenzhen and Hong Kong from June 25th to July 4th, 2017, where they will attend a unique entrepreneurial and business development program.

Organized in partnership with swissnex China, Consulate of Switzerland, venture leaders consists of numerous opportunities for face-to-face discussions with investors and experts. It offers a focused and intense program designed to provide participants with a maximum impact on their personal, business and network development.

Those eligible to participate:

Founding or managing member of innovative Swiss-based technology startup, ready for export, with a high market impact potential.
