"Venture Leaders was a fantastic program that allowed me to expand my professional network to the venture capital ecosystem!"

Those eligible to participate are:

- Founding and managing members of Swiss biotech startups;
- Fundraising and ready to grow business in China with international investors;
- Building a global biotech startup.

Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The investor and business development roadshow to China as hotspot for biotech innovation allows for a deep-dive into the global startup scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Biotech is co-organized by Venturelab and swissnex China. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of EPF Lausanne, ETH Zurich, VISCHER and the Canton of Zurich.
